

RECYCLING CONTAINERS WHAT AND WHAT NOT TO THROW

(The Community pays a tax on rubbish sent to the landfill site - so please re-cycle carefully.)

19th Jan 2015 – Resortalia have confirmed with STV that:

- **STV can collect large unwanted household items from HRGR**, for example mattress, wood, furniture, metals, washing machines, fridges, other small gadgets
- The owner needs to contact Resortalia and let us know what the item(s) are and when it would be left by the bins closest to their apartment.
- Then, Resortalia will contact STV so that they go and pick it up within the same day, following day or the following working day if it is informed during the weekend.
